picoCTF Computer Security Game
INFORMED CONSENT AND RELEASE

I, the undersigned parent/legal guardian, hereby understand that Wayland Public Schools (WPS) is utilizing the free online services of PICOCTF (<https://picoctf.com>), an online application owned and operated by Carnegie Mellon University (CMU) CyLab, 5000 Forbes Avenue, Pittsburgh, PA 15213, that allows student users to create accounts and participate in a Cyber Security Competition. I also understand that as part of this activity my child will be creating a username, providing an email address, and competing in a computer security game where participants reverse engineer, break, hack, decrypt, or do whatever it takes to solve the challenge questions (Works).

I understand that to the extent that either I or my child are provided with or create a password for the use of this site, that my child and I can help protect against unauthorized access to my child's account and personal information by appropriately protecting and limiting access to this password and appropriately logging off of the account when finished. I hereby acknowledge and agree that the Town of Wayland, Wayland School Committee and Wayland Public Schools do not own or control picoCTF, and any of my child's work through this website shall be managed and controlled by CMU in accordance with its privacy policy and terms of service.

I further acknowledge that I and my child have read the CMU picoCTF [Official Rules](#), [Privacy Policy](#) and [Terms of Use](#), true copies which are linked to this informed consent and release and understand CMU uses Third Party Providers and Services connected to their services, such as ForAllSecure (hackcenter.com), Google, Facebook and Twitter.

By entering into this informed consent and release and granting the permission as stated herein, I am expressly authorizing my child to participate in the picoCTF Cyber Security challenge. I further understand that neither the Town of Wayland, Wayland School Committee and/or Wayland Public Schools and/or their respective officers, directors, agents and/or employees shall Compensate either me or my child in connection with participating in this Challenge.

By entering into this informed consent and release and granting the permission as stated herein, I also am releasing the Town of Wayland, Wayland School Committee and Wayland Public Schools and their respective officers, directors, agents and/or employees from and against any and all liability, loss, damage, costs, claims and/or causes of action arising out of or related to my child participating and using picoCTF Cyber Security Challenge.

I have read this Informed Consent and Release and understand its terms. I sign it voluntarily and with full knowledge of its significance.
