

Wayland Public Schools 2018-2019 School Bus Registration

All families who choose school transportation, whether town-paid or fee-based, must register for school bus transportation on or before June 29, 2018. Students in Kindergarten through grade 6 living more than two miles from their districted schools are eligible to receive town-paid transportation. Students in Kindergarten through grade 6 living less than two miles from their districted schools and all students in grades 7 to 12 are eligible for fee-based transportation, based on space availability.

The transportation fee for the 2018-2019 school year is \$300 per student and is capped at \$850 for a family with three or more student riders if registration is postmarked or submitted on-line on or before June 29, 2018. Registrations submitted after June 29, 2018 will increase to \$400 for an individual pass and to \$1,150 for the family cap of three or more student riders.

Registration is subject to space availability, regardless of town-paid or fee-based status. Bus routes and stops are based on registrations received by the June 29, 2018 deadline. For more information about school bus transportation, please contact the Wayland Public Schools Transportation Coordinator, Dianne Potter, at dianne_potter@wayland.k12.ma.us.
