Dear Families and Staff:

This afternoon Governor Baker and Commissioner of Education Jeff Riley announced that all Massachusetts schools will stay closed until at least Monday, May 4. Commissioner Riley further explained that he is developing educational guidelines for Massachusetts public schools to ensure that students are engaged in learning during this closure. He is expected to share this guidance in the next couple of days.

Over the next week, taking that guidance into account, our staff will develop a District-wide learning plan through May 4. When that plan is finalized we will communicate its details to you.
