B. Application of pesticides and herbicides may only be accomplished during a school break or when the building will be clear of students for at least 48 hours.

III. NOTIFICATION OF PESTICIDE AND HERBICIDE USE

A. When pesticides or herbicides are used outdoors, notice of their use will be provided to parent/guardians, staff and students and will also be posted in a common area.

B. When pesticides and herbicides are used in a building, the site will provide a 48-hour pre-notification in the form of posting the product name, purpose, application date, time and method and the Material Safety Data Sheet on all entrance doors. A contact person will also be listed.
C. In the event of an EPA registered pesticide or herbicide application in or around a building site during the school year or summer session, a notice (including the product name, purpose, contact person, and application date, time and method), will be sent home in writing with students in the affected building at least 5 days prior to application.

IV. RECORD-KEEPING

A. The District will keep a record of pesticides and herbicides used, amounts and locations of treatments and will keep any Material Safety Data Sheets, product labels and manufacturer information on ingredients related to the application of the pesticides or herbicides.
B. All records of pesticides and herbicides used and correspondence will be available for public review upon notice and during normal school hours.
